WARRANT FOR TOWN MEETING

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Rollinsford, in the County of Strafford, in said State, qualified to vote in town affairs:

You are hereby notified to meet at Town Hall in said Town, the ninth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

- ART. 1. To bring in your ballots for Town Clerk, Town Treasurer, One Selectman and Overseer of the Poor for a term of three years, one Road Agent and Chief of the Fire Department.
- ART. 2. To choose all other necessary Town Officers for the ensuing year.
- ART. 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same.
- ART. 4. To see if the Town will vote to allow a discount of 2% on all taxes of the 1953 levy, except poll taxes, paid on or before September 1st next.
- ART. 5. To see if the voters of the Town of Rollinsford will authorize the Selectmen to borrow money in anticipation of the collection of taxes.
- ART. 6. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate that has been or may be acquired through Tax Collector's Deeds.

- ART. 7. To see if the Town of Rollinsford will raise and appropriate the sum of Three Thousand dollars (\$3,000.00) to extend the Dover City Water from in front of the Evangelos Janetos property on Broadway extension toward the village of Salmon Falls, as far as the money will go. The hydrant now in front of said Evangelos Janetos moved the required number of feet as it was placed there temporarily. (By Petition)
- ART. 8. To see if the Town will raise and appropriate the sum of Five Hundred dollars (\$500.00) to have gutters on both sides of road, also gravel and tar on Howe Road. (By Petition)
- ART. 9. To see if the Town of Rollinsford, New Hampshire will raise and appropriate the sum of \$500.00 to rebuild the road, Highland Avenue, clean out ditches and any other work necessary to put said road in good condition. (By Petition)
- ART. 10. To see if the Town will raise and appropriate a sum of one hundred and fifty dollars (\$150.00) to gravel surface Berwick street. (By Petition)
- ART. 11. To see if the town will raise and appropriate the sum of one thousand dollars (\$1,000.00) to purchase a Walter Snow Fighter Truck equipped with snow plow and wing from Robert L. Du-four. (By Petition)
- ART. 12. To see if the town will rescind its action in adoption the so-called Australian ballot system and adopt in lieu thereof the so-called Non-partisan ballot system as provided in R.L.C. 34 SS 112-120 as inserted by Chapter 22, Laws of 1943 for the election of town officers.
- ART. 13. If the preceding article is voted in the affirmative to see if the town will determine that the

number of separate petitions which must be filed by a candidate in order to have his name printed on the ballot shall be twenty-five.

(By Petition)

ART. 14. To see if the Town will pass an ordinance for no parking on Westerly side of Main Street starting at Fourth Street and extending 10 ft. beyond hydrant in front of Belanger house so as to give the fire trucks a better chance to get out.

(By Petition)

ART. 15. To see if the town will vote to establish a Municipal Court in accordance with the provisions of Revised Laws of New Hampshire, Chapter 377 as amended and to see what sum the Town will vote to raise and appropriate for the salary of a Justice and expenses of such court if established.

ART. 16. To see if the Town of Rollinsford will raise the sum of Two Hundred Dollars (\$200.00) for improvement of road leading from Silver Street to be known as Silver Lane for new residences, land to be deeded to town. (By Petition)

Appropriations will begin at eleven (11) o'clock sharp.

Given under our hands and seal this twentieth day of February, in the year of our Lord, Nineteen Hundred and Fifty-Four.

ARMAND A. BOIS,
EDWARD J. HUDON,
OVIDE R. VIEL,

Selectmen of Rollinsford.

A True Copy of Warrant Attest:

ARMAND A. BOIS,
EDWARD J. HUDON,
OVIDE R. VIEL,

Selectmen of Rollinsford.

REPORT of SUPERINTENDENT of SCHOOLS

To the School Board Members and Citizens of Rollinsford:

“Democracy can be only as strong as the intelligence of its citizens. It cannot flourish half educated and half illiterate. It is by education, said Aristotle that I learn to do by choice, what other men do by the constraint of fear.”

I am pleased to submit the annual report as superintendent of your schools. This has been a year during which much progress has been made. I should like to thank the school board, in particular, for their cooperation in devoting many hours of their time so that the best interests of your children be wisely looked after. We feel that we have a good school system that will insure steady academic, social, and physical progress of your children. Mr. Lewis Hatfield, as the principal of the school, is an able administrator who assumes much responsibility. Your teaching staff is experienced, well-trained, and unselfish in caring for the personal interests of the children. Most of them have been in your community a number of years and have taken an active part in your civic affairs.

In his annual report Principal Hatfield goes into greater detail regarding the progress made in the instructional field. The three R's (reading, writing, and arithmetic) continue to be the basic foundation upon which our whole education system is based but to them other important phases have been added. In order to more completely discover and develop the potentialities of each individual pupil for his own happiness and social usefulness our teachers have emphasized personal guidance so as to cause each pupil to progress according to his own abilities.

The school building is in excellent physical condition. Your School Board has followed a wise policy of completing some repairs and additions each year and thus, not only prevented major repairs but have spread the cost of these over a number of years. Mr. Bureau takes a personal pride in keeping the school clean and sanitary. We are fortunate in having his services as custodian.

Financially we are working well within the budget allotted to our school. Through careful planning the School Board has proposed a budget for 1954-55 that calls for a lower district assessment than last year. Teacher salaries are slightly lower than the average of the state. Tuition costs continue to be the chief single expenditure at the tuition rates are being raised annually. We have benefited greatly through Federal Aid which the Federal Government pays to the district and which is to be used for educational purposes.

Again I wish to thank all for the cooperation which has been extended to me in carrying on and improving the work of education in your community.

Respectfully submitted,

ARTHUR E. TOLL,

Superintendent.

REPORT OF SCHOOL PRINCIPAL

Rollinsford Grade School

January 15, 1954

To: *The Superintendent of Schools,
The Rollinsford School Board,
The Citizens of the Town of Rollinsford, N. H.*

We have again reached the time of year when I have the opportunity to submit to you a report of the activities of the Rollinsford Grade School. It is with pleasure that the following report is herewith submitted covering the period for January 1, 1953 through January 1, 1954.

A report of this type, of necessity, must be at the same time, all-inclusive, and yet, brief.

The instruction of pupils continues on a plane similar to that of the past year. During the number of visits to the individual classrooms that have been made by the principal, it has been noted that the quality of the instruction generally is high, and that the faculty as a whole is conforming to the standards of instruction set up by the State Department of Education. It is to be found also that the curriculum as set up by the State Board of Education, with such modifications or additions as have been found necessary by local conditions is being adhered to.

In order to obtain greater scholastic achievement on the part of the pupils, a large amount of emphasis has been placed upon the following ideas:

- (1) Setting high standards of scholastic ideals.
- (2) Using various contests employing group rivalry.
- (3) Noting failures, diagnosing them, and applying remedial treatment.
- (4) Offering recognition for greatest progress.
- (5) Stimulating the idea of surpassing one's own best record.

- (6) Exhibitions of the best efforts of individual pupils.

Two major objectives of instruction as carried on in the school may be summed up as follows:

- (a) To get to know thoroughly each individual pupil as a total functioning person—his aptitudes, capabilities, interests, ambitions, school needs, psychological dynamics, and such other information and data about each that can be acquired and used for his advantage.
- (b) To help each pupil understand himself thoroughly so that his plans and choices will include his new definitions of himself as a total person with specific aptitudes, interests, limitations, and goals.

To expedite the obtaining of the above information during the past year, many devices have been employed. Among these devices may be found, Group Guidance, as well as individual guidance. There has also been given to various classes throughout the building Standard Group Intelligence tests and Standard Group Achievement tests. Inasmuch as the results of these tests have not as yet been returned to the school, they will not be reported here. There have also been several instances in which individual testing has been done with significant results.

FACULTY

This year has found that with but one exception that the members of the faculty has remained the same.

During the past summer, Mrs. Thomas Chesley, who was the teacher of the fifth and sixth grades resigned her post in order to accept a position with her husband in the schools of Barre, Vermont.

Her place in the fifth and sixth grades was filled by Mr. William Avery, Jr. presently of Dover, N. H. and formerly of Concord, N. H. Mr. Avery is a graduate of the Univer-

sity of New Hampshire with a Bachelor of Education degree. He comes to us well recommended from the University, and it is felt that good progress is being made in the grades under his supervision.

Information regarding the individual members of the faculty may be obtained from the following Faculty Data Table:

FACULTY DATA TABLE

<i>Teacher</i>	<i>Grade Teaching Assign- ment</i>	<i>Degrees Held</i>	<i>Years of Experience</i>	
			<i>Rollins- ford</i>	<i>Else- where</i>
Anne Brown	1	Perm. Cert.	43	0
Bernice Doherty	2	Perm. Cert.	43	0
Edna Ordway	3, 4	Perm. Cert.	11	7
William Avery, Jr.	5, 6	Bachelor of Education	1	7
Ralph C. Steeves	7, 8	Bachelor of Science in Education	5	0
Lewis W. Hatfield Principal	7, 8	Bachelor of Science in Education Master of Education	5	9
Lillian Elwell	All Grades	Bachelor of Music	2	0
Martha Evans	7, 8	Bachelor of Science in Home Ec.	14	4
Arline G. Stockdale	All Grades	R. N.	24	0

ENROLLMENT

The Rollinsford Grade School opened its fall session this year on Tuesday, September 8, with an enrollment that is shown on the following enrollment data table:

ENROLLMENT DATA

	<i>No. of Pupils</i>		<i>No.</i>	<i>No.</i>	
	<i>Gr.</i>	<i>Per Teacher</i>	<i>Boys</i>	<i>Girls</i>	<i>Totals</i>
Anne Brown	1	29	16	13	29
Bernice Doherty	2	23	14	9	23
Edna Ordway	3	18	9	9	18
Edna Ordway	4	18	10	8	18
William Avery	5	16	7	9	16
William Avery	6	14	10	4	14
Ralph Steeves	7	16	8	8	16
Lewis Hatfield	8	18	9	9	18
Totals		152	83	69	152

In making a comparison of this year's enrollment with those of last year, we find that there is an increase of seven pupils, four boys and three girls. It is felt however that with the starting of work at the air base at Portsmouth, that there may be a substantial increase in the enrollment during the next few years.

SERVICES

Another of the logical divisions of a principal's report must deal with the special services rendered by the school to the pupils. The first of these services deals with the health and well-being of the various pupils. For a sum-

mary of this section let me refer you to the report of the School Nurse, Miss Arline G. Stockdale, R.N. which follows.

During the past year a pre-school well-child and vaccination clinic was held, during which forty-eight of the younger children were examined by the school physician, Dr. John J. Murphy, of South Berwick, Mrs. Rose Behan, R.N. of Dover, and Miss Arline Stockdale, R.N.

Dr. Murphy also examined for physical defects forty members of grades seven and eight. All defects noted were sent to the parents for their correction.

The following is a summary of the nurse's findings as a result of physical examinations of the children:

COMMUNICABLE DISEASES

Measles	5
Mumps	8
Whooping cough	4
Scarlet fever	1
Influenza	20
Colds	93
Lice	8
Scabies	1

ACCIDENTS

Requiring hospitalization ...	2
-------------------------------	---

Due to the fact that both the Vision testing machine and the Audiometer for testing the hearing of the pupils has been located in other schools within the union, it has been impossible to give these tests during the first part of the school year. However, it is planned that these tests will be given as soon as the machines are released for our use.

MUSIC PROGRAM

The music program of the Rollinsford Grade School is under the guidance of Mrs. Lillian Elwell. Mrs. Elwell serves as the music supervisor not only for Rollinsford but

also for the towns of Durham, Milton and Milton Mills. She comes to the school on one day per week. Throughout the year, the music program has been as follows:

In the first grade, the children are introduced to music through singing and by playing musical games. The songs are taught by rote and particular emphasis is given to ear training or teaching the child to listen carefully. Beginning with Mother Goose songs, the children are presented two or three songs each week, that are correlated with the unit being studied. At least one of these songs is a game or an action song that gives the child a chance to create rhythms or actions of his own while singing. In this way, the child is using his own imagination and creative ability as well as enjoying a musical activity.

At the second grade level, music is presented in much the same manner in preparation for note reading which is begun toward the end of the school year. More difficult action songs are taught; giving the child opportunities to develop his creative powers to a greater extent. Additional verses have been added to songs they have already learned and by spring, the second graders will be composing both the words and music of their own songs.

Music in the third and fourth grades is correlated with the Social Studies units. Original songs by the children are composed to go with nearly all the units studied. Continued study in somewhat more advanced note reading is carried on.

Reading by note is emphasized at the fifth and sixth grade level. In this way, the children are able to learn songs with little or no help from the music book. After a firm foundation of note reading has been established, two-part music, with accompaniment on the piano is begun after the Spring Vacation.

There is a general music class held for the seventh and eighth grade pupils. This group is conducted on a glee club level with piano accompaniment. Emphasis is placed on

the singing of Standard, Semi-classical, and popular songs in parts.

Instrumental instruction is given free of charge during school time to any children studying a band or orchestral instrument. At present there is a class in trumpet. It is hoped that the instrument teaching program can be expanded next year to include many pupils from all grades.

HOME ECONOMICS AND MANUAL TRAINING

In accordance with the policy of this school in giving the pupils an opportunity to obtain a sampling of knowledge in fields other than strictly academic work, the two departments mentioned above are maintained.

The Home Economics department, under the supervision of Mrs. Martha Evans provides an opportunity for the girls of the seventh and eighth grades to gain some basic knowledge of home management through specific problems and projects in both the cooking and the sewing fields. Problems of personal hygiene, personal grooming, clothing selection, and color selection and harmony are presented to the group and solved through group discussion and consultation.

For the boys, the shop program under the capable and efficient guidance of Mr. Ralph Steeves is maintained. Here knowledge is gained in the art of handling the basic tools of carpentry, and the solution of some of the problems of home repair and maintenance is brought about. Much practical knowledge is gained through the actual repair and maintenance of school property.

Both of these programs have three hours per week allotted to them, and instruction occurs in both at the same time on one afternoon per week.

PHYSICAL EDUCATION

A limited program of physical education is carried on in the school throughout all of the grades by each of the

teachers of the grade. The program consists of group games rhythemics, mastering of individual skills, and calisthenics.

We were fortunate last year in obtaining the services of Miss Janet Grant, a senior in the Physical Education Department of the University of New Hampshire, as the physical education instructor in all the grades for the latter half of the school year. Miss Grant was most successful in introducing new games, and new group activities in all of the grades. Miss Grant came to us as a student teacher from the university and charged nothing for her services. During the time that she was with us, she was under the direct supervision of Miss Barbara Newman, head of the Phys. Ed. Dept. at the University, as well as Principal.

Arrangements have been made so that this year we will have another student teacher in the same field.

SCHOOL LUNCH PROGRAM

This department falls under the efficient and capable supervision of Mrs. Edward Bureau, who serves as both dietician and cook, together with Mr. Edward Bureau who serves as her capable assistant.

The successful operation of the cafeteria is due to the efficient functioning of both these people, and it is hoped that their services will be available to us for a long time in the future.

Each day of the school year a hot lunch consisting of the following is presented:

(1) A Hot dish

This consists of meat—beef, pork, lamb, chicken, turkey, fish.

Potato, rice, noodles, macaroni, spaghetti.

Vegetables, both fresh, according to the season and canned.

- (2) A sandwich of some variety.
- (3) A dessert of some variety.
- (4) A bottle of Pasteurized milk.

The total cost to the child is twenty-five cents (\$.25) per meal and Seconds and Thirds are more frequently served than not.

The following is a summary of the Rollinsford Grade School lunch program for the year 1952-1953.

Receipts

Cash on hand	\$ 418.88
Lunch Sales, children	2,493.13
Lunch Sales, adults	278.59
Misc. Cash contributions	80.98
District appropriation	1,657.45
(Federal Government reimbursed district \$653.65)	
Total	<hr/> \$ 4,929.03

Expenditures

Food	\$ 2,391.27
Labor	1,064.00
Equipment	863.00
Electric dishwasher, refrigerator, 2 pressure cookers, dishes	
All other	99.79
Total	<hr/> \$ 4,418.82
Cash balance June 30, 1953	510.21
Actual Cost to District	<hr/> \$ 1,003.80

MAINTENANCE

It is inevitable that in any building that repairs and maintenance must be carried on. During the past two years all of the classrooms, ceilings, corridors and gymnasium have received a coat of paint. The floor of the Stage and auditorium have been refinished as well. This maintenance work was done by Mr. Ralph Steeves and Mr. Lewis Hatfield.

It is a pleasure to be able to report that the building on the whole is in a good state of repair. However there are still several repair jobs that must be attended to. Gutters must be replaced and repaired. The back yard must receive another coat of tar. A leak in the foundation must be repaired, and two new showers should be installed. One for the boys and one for the girls. Space is available for each.

ACKNOWLEDGEMENTS

I would like to take this opportunity to acknowledge with thanks the following gifts that have been received by the school during the past year:

To Mr. Almon Lord for his gift to the school library of 225 books, both texts and pleasure-reading varieties.

To Mr. Victor Mucher for his gift of a large commercial size Ditto Duplicator.

To Mr. Leigh Earle for his gift of magazines that may be used for reference and reading enjoyment.

To The Martel-Roberge Post, American Legion for their continued interest in the scholastic achievements of the students of this school and their presentation of medals and scrolls in recognition of this achievement. Also for their donation that added so much pleasure and enjoyment to the Christmas Party.

CONCLUSION

In conclusion may I offer the thanks and appreciation of the faculty and the staff of the Rollinsford Grade School to the Superintendent, the members of the School Board, and the citizens of the Town of Rollinsford for their help and understanding in a cooperative venture to make this school the kind that serves a community well.

Respectfully submitted,

LEWIS W. HATFIELD,

Principal.
